GENSUS OF QUEBEC HORSES * MANDATORY *

- How many horses do you and / or your family members co-own? _____
(Indicate the total fraction corresponding to all the shares held by you and the members of your family. Examples: If you and / or the members of your family are co-owners in equal parts of three (3) horses, enter 1.5. If you and / or your family members are a 10% co-owner of three (3) horses, enter 0.3).
- Indicate how many of these horses are housed in the different administrative regions. (The total of horses must correspond to the total number of horses indicated in the previous two questions).
